# Analytic News

## A Full-Service Analytical and Formulation Laboratory

Our full-service Laboratory is ISO/IEC 17025:2017 accredited as of February 2021! We will be expanding on this accreditation in the upcoming year.

With our team's combined 40+ years in the analytical field and our wide array of instrumentation, we have the capability to work out a solution to best fit your needs.

### Analysis and Chemical Consulting

Our Laboratory offers third-party testing and consulting to our clients to support and enhance their business portfolio:

- Raw Materials
- Finished Product
- Product Complaints
- Formulation and Compounding Needs
- Comparison Analysis.

We can set up a quality control program for you or work with your existing program.

Whether it is one sample, or routine samples, we treat all clients with the same genuine personalized service.

Enalytic has one of the largest hands-on Wet Chemistry and Organic Labs utilizing the following equipment:

- GC-FID
- GC-ECD
- GCMS (Volatiles)
- GCMS (Semivolatiles)
- Perkin Elmer ICP-OES
- Spectro ICP-OES
- Spectrophotometers
- FTIR
- Autoanalyzer
- Ion Chromatography
- HPLC - Diode Array
- HPLC - UV
- Karl Fischer
- Viscometer.

Your calls are actually answered by a live person or returned within the hour!
